Sub: Education-Secondary-District Board Bellary-Deputation of a candidate for short term course in Physical Training admissibility of expenditure.

....

Received proceedings cited above and the letter of the President, District Board, Bellary for my remarks and return. I note from para 3 of the District Board President's letter that the Physcial Training Instructor in question has requested the District Board to pay of a sum of Rs.500/- towards his extra expenditure incurred by him and that he is prepared to bind himself to serve the Board for a period of five years.

The shortened course for ex-servicemen was conducted at this college on behalf of the Registrar of Co-operative Societies (Resettlement) No.10 Sterling Road, Madras. Forty ex-servicemen were selected to undergo the training and they had their training from 17th June 1952. All the expenses of these candidates were entirely met by the Post War Services Reconstruction Fund Committee. Under the circumstances the claim of Rs.500/- made by Sri V. Hamumantha Rao as a condition for accepting the post under the Bellary District Board is unsustainable. These short courses were given for the benefit of the ex-servicemen to enable them to settle themselves in civil life. Hence Sri V. Hanumantha Rao is expected to take up the profession having come out successful in the Lower Grade Examination held in June 1952.

The admissible items of expenditure given in G.O.No.1361 [illegible] Education dated 27-4-50 is applicable to those who undergo the full course of the training viz from July to April. In the case of the ex-servicemen, the Post War Reconstruction Fund Committee met the entire expenditure of each candidate treating them as regular students for these three months.
